Directions:

Bellthorpe Stays is at the end of Willett Rd (2km along gravel road). It is half an hour from Maleny or Woodford to Bellthorpe. There are no shops at Bellthorpe. There is one streetlight at the Community Hall. Mobile phone reception is variable at Bellthorpe: Telstra is good; Optus works on some high spots; Vodophone might work in a couple of spots.

From Maleny - in Maleny, take the Woodford turnoff at the end of the centre of town. Travel along Maleny Stanley River Rd for 14 km out of Maleny; turn right at the Bellthorpe turnoff (green sign) which is about 600 metres after the Postmans Track corner and before the big red "Steep Descent" sign; travel along Mears Ln, Gap Rd, Campbell Rd, Bellthorpe Range Rd (which are one continuous windy road) to the Community Hall. Continue straight ahead along Bellthorpe West Rd and about 3 km past the Hall, turn right into Willett Rd.

From Beerwah - take the Woodford road, continue past Peachester for about 7 km, take the Maleny Stanley River Rd (big green signs) to the right and continue up the hill for about 6 km. At the top, turn left at the green Bellthorpe sign; travel along Mears Ln, Gap Rd, Campbell Rd, Bellthorpe Range Rd (which are one continuous windy road) to the Community Hall. Continue straight ahead along Bellthorpe West Rd and about 3 km past the Hall, turn right into Willett Rd.

From Kilcoy, Caboolture or Woodford - from the Woodford/Kilcoy/Beerwah intersection, head about 6 km towards Beerwah and turn left into Nomus Rd then up Bellthorpe Range Rd (it's windy and hilly). At the top, continue along Bellthorpe Range Rd towards the Community Hall; continue straight ahead along Bellthorpe West Rd; about 3 km past the Hall turn right into Willett Rd.

Via Stoney Creek Rd - (4WD recommended, also known as Brandon Rd) A bit over 3 km west of the Beerwah / Kilcoy / Woodford intersection, turn right (or left if coming from Kilcoy) into Stoney Creek Rd. Follow this road for about 15 km up the range. The first part is bitumen then soon after the causeway, it is gravel and windy. You will pass the forestry roads of Branch Creek Rd on the right and Beacon Rd, then Bellthorpe Park Rd on the left. About a kilometre after Bellthorpe Park Rd turn right into Bellthorpe West Rd (If you get to the Old Mill site, you have gone too far). The road is dirt then at the grid is bitumen. 2.6 km after the grid, veer left into Willett Rd (unsigned) or 50 metres further on a very sharp left into a second entrance to Willett Rd (signed).

* N.B. Stoney Creek Rd (or Brandon Rd) may be closed in the National Park section. Seek advice before using.

Lookout for the sign to your accommodation half way down our driveway. Bellthorpe Cottage is the first building that you come to near the end of the driveway. For the Cabins, turn left half way down the driveway. Bowerbird is the first cabin on the left at the top of the hill. Birdwing is the second cabin. Whipbird is the third cabin further along the driveway.
